International Training and study Visit on Banking Beyond Boundaries: Leadership for Tomorrow

November 26-28, 2025

Phnom Penh, Cambodia

TrustInsights is the unified identity of TrustBiz and TrustResearch, two organizations built on a shared foundation of innovation, knowledge, and excellence. By merging their expertise, networks, and long-standing experience, TrustInsights emerges as a comprehensive provider of capacity-building, applied research, and knowledge solutions for public, private, and non-governmental organizations across Asia, Australia, Europe, and the United States of America.

TrustInsights aims to provide an optimum learning environment through a blend of interactive methodologies, including seminars, lectures, group discussions, case studies, and study visits to relevant public and private sector organizations and projects.
